**ORGANIZATIONAL SETTING**

The Division of Country Programmes (DCP) is the operational arm for ITC’s technical cooperation. It has primary responsibility for liaison with countries benefiting from ITC’s assistance, for coordinating ITC’s field-level activities, including relations with field-based donors and ensuring responsiveness of ITC’s programmes to national and regional trade promotion needs and priorities. The Division leads and coordinates ITC’s “Needs assessment and programme design” core service and its functions involve all areas of ITC’s mandate. The Division is responsible for the programming and overall management of regional and country-specific, multi-disciplinary projects which are implemented in close coordination with the other substantive divisions.

In close collaboration with the Government of the Republic of The Gambia, ITC is implementing a number of private sector development initiatives in The Gambia including the Youth Empowerment Project (YEP), SheTrades Gambia, initiatives under the UN Peacebuilding fund aimed at economic development and social cohesion, and the Jobs Skills and Finance (JSF) Project implemented in collaboration with the United Nations Capital Development Fund (UNCDF).

YEP is a flagship initiative implemented under the leadership of the Ministry of Trade, Industry, Regional Integration & Employment (MOTIE) and the Ministry of Youth and Sports (MOYS) and funded by the European Union Emergency Trust Fund for Africa. The project supports the economic development of The Gambia and improve the livelihoods of its people, particularly young Gambians.

ITC job openings are available on [http://www.intracen.org/about/itc-careers/current-job-openings/](http://www.intracen.org/about/itc-careers/current-job-openings/)
Enhancing employability and self-employment opportunities for youth, with a focus on vocational training and the creation of micro and small-sized enterprises;
Creating and improving employment opportunities in selected sectors through value addition and internationalization.

YEP takes a marked-driven approach and focuses on building specific skills among youth in a number of traditional sectors such as agriculture and tourism. The project also helps diversify the Gambian economy by supporting ‘new’ sectors, including the creative and digital services industries. The project is expected to contribute to long-term economic competitiveness and well-being in The Gambia.
